Registration of a new child: A child's name will be placed on the appropriate waiting list for the chosen nursery/ies on receipt of a completed registration form and non-refundable registration (administration) fee from the parent/guardian via our website <https://www.dickybirds.co.uk/South-London-Nursery-Enquiry-Form>.

Requests to change or increase days/sessions for a child in attendance: Requests to change or increase days/sessions must be made in writing by email. If the change/increase cannot be made imminently the child will be added to our Internal Waiting List. Children will be added to the Internal Waiting List as of the date that the request is made or if the child is new to the nursery, will be added from the date that the parent/guardian accepted the place. The changing/increasing of days/sessions is subject to availability and may be dependent on availability per room/group. HO will not be able to confirm or guarantee when a change or increase of days will become available.

Schedules of Attendance

Please see our [Admissions Policy](#) for details of Schedules of Attendance that we offer at our Nurseries and The Club.

Offering places

When a place becomes available HO will contact the parent/guardian by telephone/email to confirm availability. This will include the location, start date and days/sessions that are available. This is usually 8 weeks in advance of a requested start date for a Nursery place, and 1 full term in advance of a requested start date for The Club. It may be possible to offer places earlier than the periods stated above and Dicky Birds reserve the right to require a decision from the parent/guardian based on this early notification. It may also be possible to offer guaranteed places without confirmed start dates in advance. Once a place has been offered to the parent/guardian they will have up to 2 working days to decide upon accepting the place.

Fee reviews: Fees are reviewed annually in January.

Fee calculations

Monthly fees: Our fees are based on 51 weeks of the year spread equally over 12 calendar months.

If a child starts/leaves or their schedule of days changes part way through the month: The fees will be charged at a daily rate calculated by counting the exact amount of days the child is scheduled to attend within that month.

If a child is funded fees will be calculated as above and their funding allocation for the month will be proportionally split and calculated as follows:-

Number of funded hours the child is scheduled to attend for the month, divided by the amount of days within the month (i.e. 31 days), multiplied by the number of days the child is scheduled to attend within the month.

Nappies and wipes inclusive in the fees: Nappies and wipes are inclusive with the nursery fees. Parents are welcome to provide their own preferred brand of nappies and wipes; however, fees will not be reduced.

Fee calculations Breakfast & After School Club: Fees are based on the length of the school year (usually 38 weeks) and spread over 3 terms.

Christmas and bank holiday closure: The nurseries are closed for 5 working days over the Christmas period. Our fees reflect a 51-week year and exclude the 5 days we are closed for the Christmas period. We are closed for all bank holidays.

Absences and bank holidays: We do not refund or waive fees for bank holidays, sick days, holiday periods or for any other reason that a child does not attend on their allocated days or for extra days, extra sessions, Early Bird or Late Bird sessions.

Responsibility of payment: Fees are the responsibility of both parents/guardians of the child irrespective of which parent/guardian has signed The Child Entry/Agreement Form.

Funding entitlement: If fees charged for a child's place have had funding entitlement taken into account, but the nursery is unable to claim that funding, the parent/guardian will be liable for the full shortfall in fees.

Payment of fees by a third party: An agreement with a third party to pay the fees or any other sum due to the nursery does not release the parents/guardians from any liability under these terms and conditions unless an express release has been given in writing by the owners of Dicky Birds Pre School Nurseries Ltd.

Methods of payment

Regular monthly payment should be made by standing order, childcare voucher, tax free childcare or a combination of these methods. Initial payment, payment of termly fees or payment of ad hoc extras can be made by bank transfer or debit/credit card.

*Persistent late collection without prior arrangement may result in a charge fee being charged.

Late Collection Procedure

Children must be collected by parents/carers by the Nursery/The Club closure time (6.00pm) unless a Late Bird has been pre-booked and agreed by the nursery.

The following charge and procedure applies to parents/carers whose children are collected after the nursery closure time:-

First instance of lateness: The parent/carer will be issued with a caution letter/email for lateness.

Second and additional instances of lateness (within 3 months of each late instance): The parent carer will be charged a late fee of **£25.00** for each instance of lateness.

It will be at the Managers discretion to waive the caution/charge in the following instances: -

- If a child is collected late because of an emergency and the parent has notified the nursery in advance.
- If an issue has been identified that results in multiple children being collected late and late collection is deemed unavoidable, i.e. transport delays.
- Any other factors that the Manager deems relevant to waive the caution/charge.

Extracurricular Activities (ECA)

A child must be the correct age and be developmentally able to take part in the activity. A child must attend the nursery on the day that the activity takes place. Exceptions may be made subject to availability and by arrangement with the Admissions Manager.

Dicky Birds Nurseries Terms & Conditions

Each activity has a limit of children that can attend dependant on the nature of the activity, staffing and the space in which the activity takes place.

We do not run a waiting list for extracurricular activities. Places are usually allocated 8 to 12 weeks in advance and offered in the following order of priority from the nursery's register of children attending the nursery:-

- 1) Children who attend the nursery for 5 days per week
- 2) Children who attend the nursery for 4 days per week
- 3) Chronologically (oldest to youngest)

Parents will be given 2 working days to accept a place. Places must be accepted in writing in response to the email invite.

Children with medical conditions and/or care plans

If a child has a medical condition or care plan in place, the nursery will assess if the activity is appropriate for the child to take part in and if any adjustments need to be/can be made to accommodate them.

The child will continue to be reassessed as the lessons progress to ensure that the activity is and continues to be suitable. We reserve the right to cancel a child's place on an activity if our assessment deems the activity to have become unsafe or unsuitable for a child because of their medical condition or care plan. The parents of the child will be consulted and updated about any decisions made.

At the point of offering an activity to a parent for their child, a member of our Admissions Team will ask the parent whether their child has a medical condition and/or care plan at the nursery. If a child does have a medical condition and/or care plan, their suitability to take part in the activity will be assessed by our management team before confirming whether the activity is suitable and safe for the child. The management team will assess whether any adjustments need to be made to the activity to accommodate the child's needs or if alternative activities should be considered instead. The management team's decision will then be discussed with the parent before the activity place is finally confirmed.

It is important that parents fully disclose all information about their child's medical conditions so that we can carefully consider suitability and minimise risks.

If an activity is deemed to not be appropriate for a child we will discuss possible alternative activities that the child can take part in.

Fees for ECAs include the cost of hiring a teacher, staffing and where applicable venue and travel costs.

Water Confidence/Swimming (Term time ECAs): Fees are payable monthly in advance for ten months of the year (not including July and August). Our Swimming fees are based on 37 weeks of the year (excluding any bank holidays) spread equally over 10 calendar months. We review our fees each January.

Payment of extracurricular activities is the responsibility of the child's parent/guardian.

The right is reserved to charge interest for late payment at a rate of 5%. Interest will be accrued on a daily basis for each day of late payment.

ECA fees are reviewed each January.
