Terms and conditions for Wrap Around Care

I understand that Dicky Birds Nurseries are not responsible for my child whilst they are at school. Should the school close, then the school should contact me as the parent directly. I will contact the nursery to confirm if they can make provision to collect my child and understand that conditions must be adequate for a member of staff to leave the nursery for this to happen.

Should my child become ill at school then the school will contact me as the parent directly to collect my child. I will let the nursery know that my child will not need to be collected from school and will not return to the nursery for the rest of the day.

I understand by signing this form I accept Dicky Birds Nurseries full Terms and Conditions.
